## Marketing Allowance – Strategy

I am entitled to receive a marketing allowance as total of all clients' funds invested in the Strategy platform exceeds \$500,000. The marketing allowance is calculated using the following formula:

- AFS will pay an equivalent amount of 0.35% to me on the first anniversary of me joining AFS and the client funds transitioning from the Dominion Superannuation Master Trust to Strategy within that period
- Thereafter a marketing allowance of up to 0.2% will be paid on the total value of the investments in the Strategy Platform that is in excess of the aforementioned amount.

The value of any marketing allowance paid from Strategy Portfolio Ltd to me will be made from company funds and will not be at any further cost to clients.
